More Important Information on the Other Side

Our **Referral Discount** program will still be in effect. Your December tuition can be reduced by \$100 for the first referral, \$125 for the second referral, and \$150 for the third family that enrolls at your recommendation. A referral discount form is enclosed.

If you elect to make monthly payments, we will be collecting a \$38 fee (per family) for Tuition Processing. More information will be sent home at a later date.

We will use the same procedure for **Financial Aid** this year, which consists of an outside processing firm. Any family interested in applying for financial aid **must be registered before** obtaining the packet. All paperwork to be forwarded to the processing firm must be completed and mailed by **April 18**. The B.C.A. portion of the application should be turned in to the school office at that same time. Please call me at the school office if you need an application.

If there are younger siblings, call the school office and we will send a "New Student" application. Families who are currently enrolled will have the first chance to enroll younger children before we open to new families. In order to secure a spot, our current families must enroll by February 5th. Our **Schoolbelles Catalog** will be available in the early spring. **Gymwear** (shorts/shirts) will be available at orientation in the fall.

If you have any questions, or need help completing any forms, please stop by the office. Your Re-Enrollment form along with registration fees may be brought to the office, or sent through your child's teacher. Please **do not** request teachers or classmates for your students. Class placement is a matter of prayerful consideration by the administration.

We thank you for the opportunity to join in educating your children. Please feel free to contact me with any questions or concerns you have. We rely on your prayer support as we minister for God's glory.

In Christ's Service,

Mrs. Monica Baker
